Position: President
Email: hschoeneberg@comcast.net
Phone: 832-671-5464

Hello faculty and staff! My name is Heather, and this is my second year to serve as President for the Class of 2013. Prior to becoming a pharmacy student, I obtained a B.S. in Nutritional Sciences from Texas A&M University in 1999; I also completed graduate-level training from UH in Secondary Education between 2001-2002. During my twenties I worked as a Nutritionist/Supervisor for UTMB's WIC program and as a high-school Chemistry teacher. My husband and I have two children, Branson (8 years) and Katie (5 years). In the little free time I have, I enjoy reading mysteries and cooking. While the life of a mom, wife, and pharmacy student may be hectic, I am passionate about serving my class as a liaison with the faculty. Consequently, please contact me if you have any concerns regarding the Class of 2013. My goal is to make the year flow as smoothly as possible for both my peers and the employees of UHCOP.

Name: Zeke Medina
Position: Vice President/Dean's Luncheon Representative
Email: medinalezequiel@gmail.com

My name is Zeke Medina and I served in the military for five years before entering pharmacy school. I have been actively involved in many organizations at UHCOP. During my first couple of years, I have served as the vice president of the 2013 class, pledge master of Kappa Psi Pharmaceutical Fraternity, and as dean's representative. I grew up working in my father's business helping young children learn the art of self-discipline and motivation through martial arts. This later sparked an interest for me to serve my community throughout high school and college through organizations like habitat for humanity and big brothers mentorship. When it came towards picking a field in pharmacy, there is only one route that interests me, Community Pharmacy. I am currently the President-elect of the National NCPA Student Leadership Council, and one day I hope to open an independent pharmacy that specializes in compounding and total health management.

Outside of school, I enjoy spending time with family and friends, running, and playing sports. I am also a pharmacy intern at HEB Pharmacy. Hello. My name is Yao Hua Lin, but I also go by Raymond. I graduated from the University of Texas at Austin with degrees in Chemistry and Biochemistry. Name: Mark Leu
Position: Pharmacy Council Representative
Email: leumark@gmail.com

Hi I'm Mark. I will be acting as a pharmacy council representative for the class of 2013. Sports have always been in my life. When I was younger, I wasn't the best student, but rather I excelled in running; to this day I still enjoy running and hope to eventually run a marathon across the nation. My running transitioned well with football where I played punt return on special teams. Also, I realized I had a propensity towards table tennis after having played some after college. I've had a far-fetched dream after pharmacy to open a fishing business with shrimping boats and I hope my hard work with pharmacy will allow me to pursue this goal. With strong moral fiber and a determination to help others, hopefully one day I will be able to share my story and inspire even strangers.
